

## Auto Pit

### Auto Pit Benefits

- **Self squaring**
- **3"X3"X1/4" Curb angles provide the strength and reliability of standard formed pit angles at the top edge of the pan**
- **Simple bolt together design removes the need for standard pit forming**
- **Saves time and money**
- **Electrical cut outs for powered docks included**
- **Unit is quickly secured to the base slab**
- **All concrete studs are in place for strong interlacing with the base slab**
- **Unit is pre-finished in machinery grey**
- **Pit kit is standard dock pit size so levelers can be easily removed and replaced**
- **Comes in all standard sizes 6'X6', 6.5'X6', 7'x6', 6'X8', 6.5'X 8', 7'X8' and specialty sizes**
- **Made in the USA**
